

A three-days expedition.

**ADVENTURE EXPEDITIONS IN
THE UNITED ARAB EMIRATES**

**THROUGH THE MOST INTERESTING SANDY
DESERT IN THE WORLD "EMPTY QUARTER".**

The breathtaking beauty of the Arabian desert, routes to the sites of the annual stage of the «Abu Dhabi Desert Challenge», high altitudes and complex configuration of dunes will not leave you indifferent from piloting the CFORCE 850, the most reliable and comfortable ATV, a participant in the «DAKAR marathon rally».

QUAD BIKE EXPERIENCE – DRIVING IN THE DUNES UNDER THE GUIDANCE OF PROFESSIONALS!

WITH A PROFESSIONAL TEAM SUPERVISION, YOU WILL RECEIVE

Three full days behind the wheel of a quad bike on the most difficult routes for those who take up the challenge. The best opportunity to test your strength and gain new experience. We are the only team in the region that offers full multi-day tours with training.

SUPPORT GROUP

Throughout the expedition, the group is accompanied by a security crew in a technical support vehicle. At the designated location, according to the route map, the crew will prepare a resting place, deliver fuel, spare parts, drinks, snacks. If necessary, provide evacuation to the base.

NIKITA, guide-instructor

“The Desert Fox”, in his youth, traveled around the Liwa Desert in a crew accompanying racing teams at the World Cup stages in the United Arab Emirates, worked in the crew training program for the **«Dakar marathon rally»**, and participated in the **«Desert Experience program»**. Professional motocross rider and experienced guide-instructor Nikita Ardavichus is your reliable assistant and navigator in the desert.

A man in a light-colored uniform stands in the foreground of a desert landscape, looking towards the left. In the background, two ATVs are parked on the sand. One person is sitting on the first ATV, and another person is standing behind it. The scene is set in a vast, sandy desert under a clear sky.
